

Historic Building List

On January 3, 2018, the Olde Towne Historic Preservation Commission designated 108 buildings as historic.

Slidell hired Cox | McLain to survey historic buildings in designated areas. 230 buildings were surveyed and a Louisiana Historic Resource Inventory form (LHRI) was prepared for each; LHRI forms are in the State’s Historic Standing Structures collection. crt.state.la.us/cultural-development/historic-preservation/louisiana-historic-standing-structures-survey

Of the 230 surveyed, Cox | McLain recommended 108 be considered historic – either individually or as a contributing element to an historic district. When approving the 108 historic buildings, the Commission acknowledged that the list would need to be updated.
